

Unit 1 Vocabulary

Outdoor Adventure

acorn autumn bark dark dry feather flower
freezing frosty hot leaf rain seed snow
spring summer sun sunny twig wet winter

Unit 2 Vocabulary

Exploring Maps

building car park field house park path road
lake river town village
UK England

Fieldwork Vocabulary

identify look photograph route
search feel look notice observe see
smell sound touch

I can talk like a Year 1 geographer

Unit 1 Vocabulary

What is it like here?

village town city land lake river ocean
sea place continent country

Unit 2 Vocabulary

What is the weather like in the UK?

weather season climate Europe England Scotland
Wales Northern Ireland United Kingdom (UK)

Unit 3 Vocabulary

What is it like to live in the Bahamas?

port harbour skyscraper metro transport desert
North America Island Bahamas

Fieldwork Vocabulary

survey questionnaire compass rain gauge
thermometer temperature weather vane

I can talk like a Year 2 geographer

Unit 1 Vocabulary

Would you prefer to live in a hot or cold place?

urban rural ice sheet arid savannah vegetation grasslands rainforest
polar mild temperate Africa North America South America Antarctica
Oceania Equator North Pole South Pole Kenya

Unit 2 Vocabulary

Why is our world wonderful?

habitat Atlantic Ocean Indian Ocean Southern Ocean Pacific Ocean
Arctic Ocean London Edinburgh Cardiff Belfast Ben Nevis
Lake Windermere Mount Snowdon capital city

Unit 3 Vocabulary

What is it like to live near a coast?

tourist bay coast mudflat pier cliff coastline island sand dunes
Jurassic Coast • Isle of Wight • Orkney Islands • Giant's Causeway
North Sea English Channel The Irish Sea

Field work Vocabulary

sample tally chart pictogram bar chart
data collection

I can talk like a Year 3 geographer

Unit 1 Vocabulary

Are all settlements the same?

nucleated dispersed recreational land agricultural land residential land
commercial land place of worship monument memorial facilities
Bournemouth settlement county region local country border

Unit 2 Vocabulary

What are rivers and how are they used?

irrigation leisure supply condensation evaporation groundwater percolation precipitation transpiration
water cycle delta estuary floodplain meander river mouth source tributary valley waterfall flooding
River Severn • River Thames • River Trent • River Great Ouse • River Wye • River Mississippi.
• River Amazon • River Nile • River Danube • River Yangtze • River Murray

Unit 3 Vocabulary

Who lives in the Antarctic?

treaty ice shelf drifting ice iceberg wilderness Tropic of Capricorn
Tropic of Cancer Northern Hemisphere Southern Hemisphere Arctic Circle
Antarctic Circle Shackleton Mount Erebus

Field work Vocabulary

expedition magnetic/magnetic field research
intention destination evaluate compare
improvement

I can talk like a Year 4 geographer

Unit 1 Vocabulary

Why are rainforests important to us?

indigenous peoples deforestation Community logging mining vegetation belts forest floor understory layer canopy layer emergent layer drought biomes Boreal forest Amazon rainforest Brazil

Unit 2 Vocabulary

Why do people live near volcanoes?

geothermal energy man-made rock inner core outer core mantle crust tectonic plate plate boundary volcano magma chamber vent pyroclastic flow fertile soil volcanic springs earthquake tsunami fault line epicentre seismic wave rock climate zones Earth Lines of latitude/longitude

Mount Kilimanjaro The Andes The Himalayas The Rockies The Alps Mount Etna

Unit 3 Vocabulary

Where does our food come from?

food miles import export distribution produce waste consume fertilisers pesticides greengrocer butcher pollution trade product cooperative responsible trade seasonal food air freight grant packaging food bank allotment Côte d'Ivoire West Africa

Field work Vocabulary

investigate interview method risk enquiry data analyse present quantitative/qualitative data summarise interpret quote source sample size reliability limitations open-ended/closed question Likert scale

I can talk like a Year 5 geographer

Unit 1 Vocabulary

What is life like in the Alps?

population • mountain range • temperate deciduous forest • coniferous trees
deciduous trees • The Alps • France • Monaco • Switzerland • Liechtenstein
Austria • Germany • Slovenia

Unit 2 Vocabulary

Why do oceans matter?

coral bleaching • microplastics • acidification • overfishing • Marine Protected Area
single-use plastic • re-purpose • plastic pollution • disposable • policy • biodegradable
ocean current • buffer • coral reef • marine • erosion • decompose • Great Barrier
Reef • Australia • Japan • South Korea • USA • Thailand

Unit 3 Vocabulary

Would you like to live in a desert?

airstrip • national park • nature reserve • tourist attraction • military • ranching • agriculture
desertification • flash flood • rainfall • barren • sparse • mesa • mushroom rock • natural arch
salt flat • Mojave Desert • Death Valley • Oleshky Sands • Sahara Desert • Chihuahuan Desert
• Patagonian Desert • Antarctic Polar Desert • Great Victoria Desert • Nevada • Utah • Arizona
• Atacama Desert • Prime/Greenwich Meridian

Field work Vocabulary

fieldwork evidence

Geographic Information System (GIS)

I can talk like a Year 6 geographer

Unit 1 Vocabulary

Why does population change?

- densely populated • sparsely populated • population density • population distribution
- birth rate • death rate • natural increase • migration • refugee • push factors • pull factors • voluntary • involuntary • air pollution • noise pollution • land mass • Singapore
- Hong Kong • Bangladesh • Greenland • Iceland • Canada • Oman • Bulgaria

Unit 2 Vocabulary

Where does our energy come from?

- energy source • hydropower • wind power • solar power • nuclear power • biofuel • non-renewable • dam • replenished • consumption • producer • headquarters • offshore
- onshore • coal • natural gas • crude oil • emissions • ocean tide • regenerate • fossil fuel • Port of Blyth • Midland, Texas

Unit 3 Vocabulary

Can I carry out an independent fieldwork enquiry?

See below

Fieldwork Vocabulary

digital technologies • conclusion • cartogram
pie chart • line graph • live data • consideration • annotate
justify • issue • viewpoint • data collection methods • subjective
audience • recommendation
